The Auxiliary at New Britain General, celebrating 125 years, has distinguished itself as an integral part of the Hospital. Its multi-million dollar fundraising efforts have been responsible for major undertakings at the New Britain General Campus and The Hartford HealthCare Cancer Institute at The Hospital of Central Connecticut.

“Dedicated to serving our healthcare community”
Proceeds from this event will support the Hartford HealthCare Cancer Institute at The Hospital of Central Connecticut.

Due to the pandemic, we missed the opportunity to recognize the five-year anniversary of the Cancer Institute.

Please join us for this year’s fundraising event as we celebrate the continued development of state-of-the-art services for patients navigating cancer treatment.
